

CORONAVIRUS (COVID-19) UPDATE

At MJM Property Restoration, the health and safety of our customers and employees has always been our top priority. We will continue to be proactive in keeping our customers safe and healthy. Being a Essential Service for the community, we will be taking the appropriate actions to limit the spread of the virus in the communities in which we live and work.

To help ensure your safety, we are taking the following precautionary measures to protect our customers and employees. MJM Property Restoration will be:

- utilizing face mask and respirators
- Technicians will be wearing eye protection
- Disposable gloves will be worn by all employees
- Shoe covers will be worn
- All of our employees have been instructed to closely follow the recommendations of the Center for Disease Control (CDC) for protecting themselves and others. These recommendations include but are not limited to frequent and thorough hand washing, knowing the signs and symptoms of COVID-19, and more. For more information about preventing the spread of the coronavirus please refer to the CDC website.
- Our services are an important way to help prevent the spread of disease, and our **ecofriendly products** help protect people and the environment.
- MJM Property Restoration is receiving and monitoring updates from the Center for Disease Control (CDC) as well as state, local, and federal health officials as they are made available and will make any important adjustments accordingly.

I would like to assure you that our management and leadership team is committed to your personal safety, as well as our employees. We will continue to support our people and customers during these tough times.

Please contact our office anytime. We are a 24/7 emergency response company, and always have someone available to answer any questions or concerns you may have.
